kshmaker1216@gm.gist.ac.kr

Education

Gwangju Institute of Science and Technology (GIST)

B.S. in Mechanical Engineering

Gwangju, South Korea

Mar 2021 – Present

Experience

International Robot Olympiad (IRO)

Judge

Global

Jun 2024 – Feb 2025

- Served as a judge for the International Robot Olympiad.
- Gained valuable experience in international communication and fair assessment practices.

GSA Infoteam

Backend Developer

GIST

Apr 2024 – Present

Hur Group

Undergraduate Intern

Gwangju, South Korea

Aug 2024 – Present

Research Experience

High school R&E Program

Research on CAPTCHA Image Recognition

South Korea

March 2019 – Oct 2019

Sunghwan Kim, JiHun Park, JiHun Seo, & JeongWon Bae. An Improved CAPTCHA Image Generation Algorithm Using CAPTCHA Image Recognition. published in the KIICS Conference

Research Interest

- Control Theory
- Wearable Robot and Bipedal robot
- AI to control robot

Projects

Ziggle, Groups

GIST Announcement Web Platform

Apr 2024 – Present

- Designed and developed server components with **NestJS**.
- Integrated **GitHub Actions** for automated deployment.
- Tech Stacks: **AWS (EC2, S3), NestJS, PostgreSQL, Docker, GitHub Actions**

Bbunlineskating

Senior–Junior Matching Service in GIST

Dec 2024 – Present

- Designed and developed server components with **NestJS**.
- Integrated **GitHub Actions** for automated deployment.
- Tech Stacks: **NestJS, PostgreSQL, Docker, GitHub Actions**

Military Service

Republic of Korea Army
Sergeant

South Korea
Jan 2022 – Jul 2023

Skills

- **Programming Languages** : MATLAB, C/C++, Python, JavaScript + TypeScript
- **Engineering Tools** : Fusion360
